REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Executive Committee and
Members' of Centerview Partners LLC:

We have audited the accompanying statement of financial condition of Centerview Partners LLC (a Delaware limited liability company) as of December 31, 2016, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and related notes to the financial statement. Centerview Partners LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of Centerview Partners LLC as of December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statement have been prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions in the financial statements and accompanying notes. Management believes that estimates utilized in preparation of the financial statement are prudent and reasonable so that the financial statements are presented fairly. Actual results could differ from those estimates.

Property and Equipment

Furniture, equipment, and leasehold improvements are recorded at cost less accumulated depreciation and/or amortization. Depreciation of furniture and equipment is recorded on a straight-line basis over the assets' estimated useful lives of five years and three years, respectively. Amortization of leasehold improvements is recorded on a straight-line basis over the assets' estimated useful lives or the lease terms, whichever is shorter.

NOTE 3 – CONCENTRATION OF RISK

Cash and cash equivalents

During the year ended December 31, 2016, bank account balances exceeded the Federal Deposit Insurance Corporation ("FDIC") limit of \$250,000. At December 31, 2016, the bank balances exceeded the insured FDIC limit by approximately \$28,033,000.

CENTERVIEW PARTNERS LLC
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2016

NOTE 4 – DUE TO/FROM RELATED PARTY

The Company is party to a Standing Intercompany Loan Agreement (the “Loan”) with its Parent.

Advances, net of borrowings, charges and allocations, are due on demand and incur interest each month on the average monthly balance at the applicable Federal Short-Term Rate in effect for that month. The net effect of these items is included in the balance due from related party.

Under the terms of an expense sharing arrangement, the Parent pays all rent and other charges related to the Company’s New York City and Palo Alto premises. The Parent owns all fixed assets located in these offices and records all depreciation and amortization

NOTE 5 – PROPERTY AND EQUIPMENT

Furniture, equipment, and leasehold improvements consist of the following at December 31, 2016:

Leasehold improvements	\$ 2,514,000
Furniture and equipment	<u>1,415,000</u>
	3,929,000
Less: Accumulated depreciation and amortization	<u>(760,000)</u>
Net book value	<u>\$3,169,000</u>

NOTE 6 – INCOME TAXES

The Company analyzed its tax filing positions in all of the federal and state jurisdictions where it is required to file income tax returns. Based on this review, no reserves for uncertain income tax positions were required.

The Company recognizes and measures its unrecognized tax benefits in accordance with US GAAP. Under that guidance the Company evaluates tax positions taken or expected to be taken in the course of preparing the Company’s tax returns to determine whether the tax positions are “more likely than not” of being sustained by the applicable tax authority. Tax positions not deemed to meet a more-likely-than-not threshold would be recorded as a tax expense in the current year. As of December 31, 2016, the Company did not have uncertain tax positions with respect to income based taxes that had a material impact on the Company’s financial statements.
